So let's elaborate.....
BARRY OBAMA HITLER (Obamagate is exposing the NWO)
BARRY IS HITLER'S GRANDSON, HIS AUNTS ARE ANGELA BRAND(Merkel), THERESA MAY, DALIA GRYBAUSKAITE.

Hitler had 4 daughters.

Interesting reveal:
Came from Navy Intel...

We didn't win WWII. We lost to the N@zi They withdrew to rephrase and infiltrate worldwide. Hitler did NOT die in a bunker in 1944. That was his butler who also doubled his body. He escaped to Argentina along with other SS, where he lived a long life when he died in a car accident in 1957 Eva Braun went with him and their daughter Ann born in 1942. While in Argentina Eva and Adolf had 3 daughters who were taken to Germany to be raised in the " motherland ". Their names are: Angela, Theresa and Dalia. More about this later.

Other Nazi jews fled to South America and Antarctica where they had a base under the ice.

Many of N@zi's scientists were brought to the US, given false names and hired by the government to bring their technology to the US. The US thought it was better that they had them than the Russians. This was called Operation Paperclip. (I will post this soon when I'm ready.)

After Hitler died in Argentina in 1957, Eva Braun changed her name to Madelyn Lee Payne took their daughter Ann and moved to the US. She married Stanley Dunham and her name became Madelyn Dunham. Ann became Stanley Ann Dunham. Ann was 19 when she got pregnant with a Kenyan national called Barack Obama. She moved to Kenya and gave birth to her son Barry. In time, she realized that the man she married " had already married had children and returned to America with her son. Shortly after her return to America, she married Lolo Soetoro and had a second child, daughter, Maya.

Hitler was also a Rothschild. His mother was Klara Polzi who worked as a maid in the Austrian home of Solomon Meyer Rothschild where she got pregnant with him. She returned to Germany to give birth to Adolph and later married Alois Schicklgruber who later changed his name to Hitler. The bloodlines are very important to the Illuminati and they keep their children on the farm or have illegitimate children to spread their bloodlines far and wide.

Enter Barry Soetoro. If you've been following me so far, your jaw should be on the ground. Let me make it clear for you. Barry Soetoro, Barack Obama II, Hitler's grandson, a Rothschild by blood. This might explain why his aunt Angel Merkel, Chancellor of Germany kissed him and looked at him so lovingly during a visit there. His other two aunts are Theresa May, former UK Prime Minister and Dalia Grybauskaite, the President of Lithuania.

Hitler's plan for a 3th Reich has been spilled in today's 4th Empire of the Jew World Order and his offspring have been placed in high level strategic countries for the Illuminati cause of an NWO, NWO N@zi Jew World Order and THIS is what is being taking down.

Obama was an illegitimate president on so many levels. I haven't even touched his homosexuality or pedophilia yet. This is what happened. This is just a piece of Obamagate. ARE YOU WOKE UP?! Knowledge is power!ATTACHMENTS

TAKE A GOOD HARD LOOK... LET IT SINK IN!
This stoner Marxist kid now commands the US Military itself. Sending our Best & Brightest to their graves on a regular basis by way of his sissy-ass insane liberal Rules Of Engagement in Afghanistan.
Think about that for a bit.
